MEMORANDUM

TO: MAYOR and COUNCIL
FROM: Janice Dupuis, Deputy Clerk
DATE: April 18, 2019
SUBJECT: CORRECTION OF THE TILE LOAN RATING BY-LAW

On March 19, 2019, Council passed Rating By-Law 2019/19 imposing special annual drainage rates for a tile loan application of $48,100 made Northland Farms & Contracting Inc.

The Municipality has learned that the tile loan amount is less than initially indicated which stipulates that under the Tile Drainage Act a new Rating By-Law with the corrected loan amount of $47,800 be issued and then be re-submitted to OMAFRA for processing as required.

Attached hereto you will find the new rating by-law citing the corrected loan amount for Council’s approval.
WHEREAS on March 19, 2019, Council of the Municipality of West Nipissing passed By-Law 2019/19 imposing special annual drainage rates in respect of which money is borrowed under the Tile Drainage Act to Northland Farms & Contracting Inc.;

AND WHEREAS the Municipality has been informed of an amendment to the loan amount and Council deems it necessary to make the required correction;

BE IT THEREFORE RESOLVED THAT By-Law 2019/19 be repealed;

BE IT FURTHER RESOLVED THAT By-Law 2019/35, being a by-law imposing special annual drainage rates upon land in respect of which money is borrowed under the Tile Drainage Act, application made by NORTHLAND FARMS AND CONTRACTING INC., (Part of Lot 11, Concession B, Township of Caldwell) Municipality of West Nipissing, shall come into force and take effect on the date it is passed.

THE CORPORATION OF THE MUNICIPALITY OF WEST NIPISSING

BY-LAW 2019/35

BEING A BY-LAW IMPOSING SPECIAL ANNUAL DRAINAGE RATES IN RESPECT OF WHICH MONEY IS BORROWED UNDER THE TILE DRAINAGE ACT

WHEREAS Northland Farms & Contracting Inc., being owners of land in the municipality has applied to the Council for the Municipality of West Nipissing under the Tile Drainage Act for loan for the purpose of constructing subsurface drainage works on such land;

AND WHEREAS Council has, upon the application lent the owners the total sum of $47,800.00 to be repaid with interest by means of the rates hereinafter imposed;

NOW THEREFORE THE COUNCIL FOR THE MUNICIPALITY OF WEST NIPISSING, PURSUANT TO THE TILE DRAINAGE ACT, ENACTS AS FOLLOWS:

1. That annual rates as set out in the Schedule “A” attached hereto are hereby imposed upon such lands described as Part of Lot 11, Concession B, Twp. Caldwell (Roll No. 48-52-060-001-33522) for a period of ten years, such rates shall have a priority lien status and shall be levied and collected in the same manner as taxes.

2. That By-Law 2019/19 is hereby repealed and replaced with By-Law 2019/35.

ENACTED AND PASSED THIS 23rd DAY OF APRIL, 2019 AS WITNESSED BY THE SEAL OF THE CORPORATION AND THE HANDS OF ITS PROPER OFFICERS.

Schedule A

SPECIAL CONDITIONS OF DRAFT APPROVAL

If an approval is forthcoming by the West Nipissing Planning Advisory Committee, it is recommended that the following conditions be imposed on the Owner along with the Conditions of Draft Approval included in Schedule “A” hereto:

1) The Corporation of the Municipality of West Nipissing’s conditions and amendments to final plan of approval, for registration of Subdivision File No. SUBD2019/02 made by 2623822 Ontario Limited are as follows:

2) That this approval expires three (3) years from the date of approval shown by the “Draft Plan Approval Stamp” on the face of the draft plan. If there is an appeal to the Ontario Municipal Board under section 51 (39) of the Planning Act, the three (3) year expiration period does not begin until the date of the order of the Ontario Municipal Board issued in respect of the appeal or from the date of a notice issued by the Board under section 52(51) of the Planning Act.

3) This Draft Approval applies to the Plan of Subdivision prepared by GOODRIDGE, GOULET PLANNING & SURVEYING as shown on the attached Schedule A, dated March 18, 2019 which is comprised of 5.16 Hectares (12.6 acres).

4) That the owner agrees in writing to satisfy all requirements, financial and otherwise of the Municipality of West Nipissing concerning provision of roads, installation of services, street lighting, and drainage. As well, the owners shall provide a paved shoulder for pedestrian and bicycles.

5) That such easements as may be required for utility or drainage purposes shall be granted to the appropriate authority.

6) That the owner agrees to convey up to 5% of the land included in the plan of each in-lieu to the Municipality for park or other public recreational purposes.

7) The owner covenants and agrees to provide the municipality with evidence that satisfactory arrangements, financial and otherwise, have been made with Canada Post Corporation for the installation of Community Mail Boxes (CMB) as required by Canada Post Corporation. The owner further agrees to provide notice to prospective purchaser of the locations of the CMB and that home/business mail delivery will be provided by CMBs provided by the owner, provided that the owner has paid for the activation and equipment installation of the CMB’s.

8) That the Subdivision Agreement between the owner and the Municipality be registered by the Municipality against lands to which it applies once the Plan of Subdivision has been registered prior to any encumbrances.
9) That the Subdivision Agreement between the owner and the Municipality contain a Special
Provision with wording acceptable to Greater Sudbury Hydro Utilities (GSU) or Hydro One to ensure
that:

a. Prior to final approval, a copy of the lot grading and drainage plan, showing existing and
final grades, must be submitted to GSU for review and approval.

b. Any development in conjunction with the subdivision must not block vehicular access to
any GSU/Hydro One facilities located on the right-of-way. During construction, there will
be no storage of materials or mounding of earth or other debris on the right-of-way.

c. The costs of any relocations or revisions to GSU/Hydro One facilities which are necessary
to accommodate this subdivision will be borne by the developer.

d. The easement rights of GSU and its legal predecessors are to be protected and
maintained.

10) That before Municipal Council’s Final Approval is given, the Council shall be advised in writing by
the Director of Community Services how Condition No. 8 has been satisfied.

11) That before City Council’s Final Approval is given, the Council shall be advised in writing by Canada
Post Corporation how Condition No. 9 has been satisfied.

NOTES

1) We suggest you make yourself aware of the following:

   a) Section 143(1) of The Land Titles Act, R.S.O. 1980 as amended, which requires all
      new plans to be registered in a land titles system.

   b) Section 143(2) allows certain exceptions.

2) Prior to any construction, a Fill, Construction and Alteration to Waterways Permit is required from
the North Bay Mattawa Conservation Authority. The subject lands are within an area regulated by
the North Bay Mattawa Conservation Authority under Ontario Regulation 162/90. This regulation
is pursuant to Section 28 of the Conservation Authorities Act of Ontario.

3) Private water supply and sewage disposal facilities must be approved by the Ministry of the
Environment, or its agent in certain areas, in accordance with Ontario Regulations 229/74 as
amended, made under the Environmental Protection Act, 1971, as amended.

4) We recommend you make yourself aware of applicable Federal and Provincial laws regarding
construction in proximity to waterbodies.

5) The Developer is hereby advised that prior to commencing any work within the Plan, the Developer
must confirm that sufficient wire-line communication/telecommunication infrastructure is
currently available within the proposed development to provide communication/telecommunication service to the proposed development. In the event that such
infrastructure is not available, the Developer is hereby advised that the Developer may be required
to pay for the connection to and/or extension of the existing communication/telecommunication
infrastructure. If the Developer elects not to pay for such connection to and/or extension of the
existing communication/telecommunication infrastructure, the Developer shall be required to
demonstrate to the municipality that sufficient alternative communication/telecommunication
facilities are available within the proposed development to enable, at a minimum, the effective
delivery of communication/telecommunication services for emergency management services (i.e.,
911 Emergency Services).

6) The Owner/Developer is hereby advised that prior to commencing any work within the Plan, the
Owner/Developer must confirm with Greater Sudbury Hydro or Hydro One that appropriate
electrical services infrastructure is currently available along the proposed development to provide
delivery of electrical energy to the proposed development. In the event that such infrastructure is
not available, the Owner/Developer is hereby advised that the Owner/Developer may be required
to pay for the connection to and/or extension of the existing electrical distribution infrastructure,
in accordance with Greater Sudbury Hydro policies or Hydro One and the Ontario Distribution
System Code.

C) BUDGET DELIBERATIONS CONTINUED

- The Mayor summarized the three previous budget meetings as well as the Solid Waste and
  Sewer and Water budgets which were discussed at Committee of the Whole (COW) meeting on
  March 12, 2019;
- The CAO summarized the handout for Strategic Decisions for Council;
- The CAO indicated that given the items already dealt with the opening position is 10.7% and
  requested direction on what the general levy increase will be in order to know which projects
  can fit within the parameters given;
- The Mayor called for a round table requesting a position on increases and projects;
- Councillor L. Sénecal – requested information on how the new Police building will be paid for
  and she indicated that 3.5% would be an acceptable increase;
- Councillor Duhaime acknowledged the extent of damage to the roads based on the winter
  weather and indicated that monies may have to be diverted to deal with the extent of the
  damage; he indicated that Cache Bay Road as well as a number of downtown streets will require
  extensive repairs; Councillor Duhaime indicated that perhaps the repairs to the Verner garage
  can be put off in order to deal with more urgent issues; aside from the sidewalk on Coursol,
  Councillor Duhaime indicated that perhaps the items identified by members at a February
  meeting could perhaps be put off to future years; Councillor Duhaime indicated that 2.85% –
  3.0% be an acceptable increase;
- Councillor D. Sénecal echoed Councillor Duhaime’s sentiment that he would not like to see
  anything over 3.0%;
- Councillor Seguin indicated that he feels that past councils have neglected necessary increases
  and the Municipality is now paying for it; he indicated that 8.00% would be acceptable with the
  reserve from 2018 being used to lower the rate;
- Councillor Fisher agreed that a higher rate was preferable and that the Municipality will have to
  try and continue to play catch up; Councillor Fisher indicated that he would support an increase
  of up to 10%;
- Councillor Roveda concurred with Councillors Seguin and Fisher in that a larger increase is
  preferable and that the Municipality needs to start investing in the municipality; he asked
  whether it would be possible for scenarios be presented to show what various increase levels
  would look like;
The Mayor indicated that the surplus from 2018 is tax payer money which should go back to them; she echoed Councillor Duhaime’s concerns regarding the state of the roads given the bad winter; she indicated that if a threshold of 10% were agreed upon, then she would not feel comfortable asking more than 4-5% from the taxpayers;

Councillor Lise Sénécal indicated concern with the roads as well, but indicated that 10% would not be an acceptable increase;

The CAO spoke to PW increases for 2019 and addressed Councillor L. Sénécal’s concerns about “unknowns”;

Councillor L. Sénécal indicated that she did not feel comfortable with the information provided concerning the police building indicating that she would have preferred to receive a breakdown of each project individually;

Councillor Roveda indicated that he intends to plead the Municipality’s case with the Federal Government regarding the elevator at Villa St Aubin and that he’s been given direction from DNSSAB; he indicated that the Active Living Committee could be put to the 2020 budget and that the Arts Fund could be put to 2021; he indicated that if Coursol cannot be done this year that it at least be on the radar for 2020;

Councillor Fisher indicated that he did not feel that this was the year to be conservative given the situation with the roads, the Lavigne building and the IPM & Rural Expo;

A discussion was held concerning the Economic Development Committee and it was agreed that the Economic Development Committee is a priority;

Councillor L. Sénécal indicated a wish to see the impact of the proposed increases on the various classes of tax payers;

The Mayor indicated a priority for sidewalks and roads; she indicated a decrease in Public Works capital from $310,000 down to $250,000; replace one pickup only;

The CAO provided some direction on how to get to an acceptable tax levy by taking 500K from reserves as well as the $221 for IPM; the CAO reiterated that not raising taxes is taking a risk because if you don’t pay this year, the problem is only being deferred to a future year; the CAO indicated that Public Works is not where anyone should be looking for savings;

Councillor D. Sénécal indicated that 5.7% is still too high for the Ward 8 residents who are largely paying waterfront tax rates;

Councillor L. Sénécal again requested a table showing the proposed increases on the different Assessment rates;

The CAO indicated that going lower than 5.7% without reducing things such as the IPM and CANO is getting into core services.

Councillor Seguin reiterated his position that minimum taxation results in minimum services;

Councillor Roveda requested clarification regarding the reserves;

Councillor Fisher stated that if taxes aren’t increased that the old school will never be able to be demolished;

Councillor L. Sénécal stated that she believes that West Nipissing has done well in spite of adversity;

The Mayor stated that she believes that the amount for bilingualism is still too high and that 10K would be sufficient;

Councillor Fisher and Councillor Roveda both raised the issue of compensation for mileage for council members and volunteers;

Council sought confirmation that the funds earmarked for Council Chamber equipment upgrades will serve the purpose for which it is intended.

The CAO indicated that staff will bring back a visual presentation of what 5.7% will look like for the various classes as well as options for “tweaking”;

Budget deliberations will continue on the first Tuesday in April.

D) ADJOURNMENT / AJOURNEMENT

It was agreed that the meeting be adjourned to Monday, March 18th at which time general discussions on an acceptable increase can continue.

D-1 A resolution was passed to adopt By-law 2019/16 to confirm the proceedings of Council at its Special Budget meeting.

SCHEDULE A

SPECIAL CONDITIONS OF DRAFT APPROVAL

If an approval is forthcoming by the West Nipissing Planning Advisory Committee, it is recommended that the following conditions be imposed on the Owner along with the Conditions of Draft Approval included in Schedule A hereto:

1) The Corporation of the Municipality of West Nipissing’s conditions and amendments to final plan of approval, for registration of Subdivision File No. SU8/02/2019/01 made by PATRICK O’CONNOR are as follows:

2) That this approval expires three (3) years from the date of approval shown by the “Draft Plan Approval Stamp” on the face of the draft plan. If there is an appeal to the Ontario Municipal Board under section 51(19) of the Planning Act, the three (3) year expiration period does not begin until the date of the order of the Ontario Municipal Board issued in respect of the appeal or from the date of a notice issued by the Board under section 51(11) of the Planning Act.

3) This Draft Approval applies to the Plan of Subdivision prepared by GOODNOUGH, GOULET PLANNING & SURVEYING as shown on the attached Schedule A, dated February 19, 2019 which is comprised of 4 hectares.

4) That the owner agrees in writing to satisfy all requirements, financial and otherwise of the Municipality of West Nipissing concerning provision of roads, installation of services and drainage.

5) That such covenants as may be required for utility or drainage purposes shall be granted to the appropriate authority.

6) That the owner agrees to convey up to 5% of the land included in the plan or cash in lieu to the Municipality for park or other public recreational purposes.

7) The owner covenants and agrees to provide the municipality with evidence that satisfactory arrangements, financial and otherwise, have been made with Canada Post Corporation for the installation of Community Mail Boxes (CMB) as required by Canada Post Corporation. The owner further agrees to provide notice to prospective purchaser of the locations of the CMB and that home/business mail delivery will be provided by CMRs provided by the owner, provided that the owner has paid for the activation and equipment installation of the CMR's.

8) That the Subdivision Agreement between the owner and the Municipality be registered by the Municipality against and to which it applies once the Plan of Subdivision has been registered prior to any encumbrances.

9) That the Subdivision Agreement between the owner and the Municipality contain a Special Provision with wording acceptable to Greater Sudbury Hydro Utilities (GSHU) or Hydro One to ensure that:

10) Prior to final approval, a copy of the lot grading and drainage plan, showing existing and final grades, must be submitted to GSHU for review and approval.

11) Any development in conjunction with the subdivision must not block vehicular access to any GSHU/Hydro One facilities located on the right-of-way. During construction, there will be no storage of materials or mounding of earth or other debris on the right-of-way.

12) The costs of any relocations or revisions to GSHU/Hydro One facilities which are necessary to accommodate the subdivision will be borne by the developer.

13) The easement rights of GSHU and its legal predecessors are to be protected and maintained.

14) That before Municipal Council’s Final Approval is given, the Council shall be advised in writing by the Director of Community Services that Condition No. 8 has been satisfied.

15) That before City Council’s Final Approval is given, the Council shall be advised in writing by Canada Post Corporation that Condition No. 9 has been satisfied.

16) That the travelled road be surveyed.

17) Existing sheds to remain subject to written approval and no further development.

NOTES

1) We suggest you make yourself aware of the following:

   a) Section 143(1) of The Land Titles Act, R.S.O. 1980 as amended, which requires all new plans to be registered in a land titles system.

   b) Section 143(2) allows certain exceptions.

2) Prior to any construction, a R.S. Construction and Alteration to Watersways Permit is required from the North Bay Mattawa Conservation Authority. The subject lands are within an area regulated by the North Bay Mattawa Conservation Authority under Ontario Regulation 353/00. The regulation is pursuant to Section 38 of the Conservation Authorities Act of Ontario.

3) Private water supply and sewage disposal facilities must be approved by the Ministry of the Environment, or its agent in certain areas, in accordance with Ontario Regulations 326/74 as amended, made under the Environmental Protection Act, 1973 as amended.

4) We recommend you make yourself aware of applicable federal and Provincial laws regarding construction in proximity to waterbodies.

5) The Developer is hereby advised that prior to commencing any work within the Plan, the Developer must confirm that sufficient wire-line communication/telecommunication infrastructure is currently available within the proposed development to provide...
communication/telecommunication service to the proposed development. In the event that such infrastructure is not available, the Developer is hereby advised that the Developer may be required to pay for the connection to and/or extension of the existing communication/telecommunication infrastructure. If the Developer elects not to pay for such connection to and/or extension of the existing communication/telecommunication infrastructure, the Developer shall be required to demonstrate to the municipality that sufficient alternative communication/telecommunication facilities are available within the proposed development to enable, at a minimum, the effective delivery of communication/telecommunication services for emergency management services (i.e., 911 Emergency Services).

6) The Owner/Developer is hereby advised that prior to commencing any work within the Plan, the Owner/Developer must confirm with Greater Sudbury Hydro or Hydro One that appropriate electrical services infrastructure is currently available along the proposed development to provide delivery of electrical energy to the proposed development. In the event that such infrastructure is not available, the Owner/Developer is hereby advised that the Owner/Developer may be required to pay for the connection to and/or extension of the existing electrical distribution infrastructure, in accordance with Greater Sudbury Hydro policies or Hydro One and the Ontario Distribution System Code.

E-15 **Engineering Report for Lavigne Fire Hall Inspection**

The CAO provided an overview of the report received from the structural engineer pertaining to the concerns raised regarding the Lavigne Fire Hall building. The report indicates a variety of issues which require attention; however the overall structural integrity of the building is indicated to be safe for occupancy. Councillor Denis Sénécal commented on the information used to prepare the report as being out of date; the CAO reiterated that the engineer has placed professional integrity on the report. Councillor D. Sénécal questioned why the report took 5 years to complete; the CAO indicated that he was unable to speculate on what took place in 2014 but that the recommendations noted by the engineer in the most recent report be brought back to council for discussion once a further report is received with respect to costs; a discussion ensued as to whether or not the engineer prepared his current analysis using information which is current and verifiable since he did not attend personally at the property.

H-9 A resolution was passed to authorize LiveStreaming of Committee meetings.

No. 2019/100  Moved by: Councillor L. Sénécal
Seconded by: Councillor Malette

WHEREAS on December 4, 2018 at the Inaugural Meeting of Council, the Mayor indicated that the objective of Council will be to ensure that the activities of the Mayor and Council of the Municipality of West Nipissing be open and transparent;

AND WHEREAS the Mayor also indicated that all meetings of municipal boards and committees should be made available for viewing on the Municipality’s through use of LiveStream or such other technology as may be used from time to time.

AND WHEREAS Boards are autonomous bodies and reserve the right to govern themselves;

BE IT RESOLVED THAT Council for the Municipality of West Nipissing hereby directs that all meetings of municipal committees shall, so far as is practicable, be held in the West Nipissing Council Chamber and that such meeting shall be available for viewing by the public on the municipality’s website, via LiveStream or such other technology as may be used from time to time for the electronic delivery of meetings to the public.

AND BE IT ALSO RESOLVED that a letter be send to all Boards requesting consideration of the same.

Council discussed the matter and several concerns were raised about the appropriateness of placing both volunteer committee members and members of the public in a live streaming situation without them having been consulted or permission being received. Councillor Fisher raised concern that placing Planning Committee meetings on the live stream may result in persons being reluctant to speak freely due to being on “TV”. Following discussion, it was agreed that the individual committees be canvassed as to their willingness to participate in the initiative and that the matter be deferred the April 23rd meeting to allow individual committees time to respond.

H-10 A resolution was passed to expand and improve broadband internet service across rural Ontario.

No. 2019/101  Moved by: Councillor Malette
Seconded by: Councillor Fisher

WHEREAS in 2016, the Canadian Radio-Television and Telecommunications Commission (CRTC) established a universal service objective that Canadians have access to voice services and broadband Internet access services on fixed and mobile wireless networks;

AND WHEREAS reliable and high-speed internet is a key driver for the economic and social well-being of our communities;

AND WHEREAS the Municipality of West Nipissing currently does not have full and equal access to reliable, affordable high-speed broadband internet service;
AND WHEREAS the $500 million Connect to Innovate program and the CRTC’s $750 million Broadband Fund are first steps toward bringing service to hard-to-reach areas and are positive steps for addressing this need;

NOW THEREFORE BE IT RESOLVED THAT the Municipality of West Nipissing calls on the Government of Canada, and Innovation, Science and Economic Development Canada, to establish a national broadband strategy that includes clear standards and timelines to achieve the CRTC’s speed targets for fixed broadband (50/10 Mbps download/upload), and a new target for rural mobile access;

AND FURTHER TO commit to long-term, predictable funding for broadband and mobile Internet in rural, remote and northern communities such that local governments can plan for reliable service that is affordable and accessible to a level consistent with those in more urban areas;

AND FURTHER THAT a copy of this resolution be forwarded to the Federation of Canadian Municipalities (FCM), the Association of Municipalities of Ontario (AMO), MP – Marc Serre and MPP – John Vanthof.

The Delegation arrived at 8:20 PM having miss-read the e-mail concerning the meeting start time.

The Mayor requested permission from Council to entertain the delegation. Mr. Normand Delorme and Mr. Michel Deschatelets made a presentation to Council to inform members on the mandate and initiatives of the Soil and Crop Association. The Soil and Crop Association is the hub for organized activities for the West Nipissing agricultural community.

C-2 PETITION – Dovercourt Street Closure Request

A petition submitted by Mr. Eugène Cardinal was received by Council requesting the closure of Dovercourt Street at the Hwy 64 intersection. The matter will be brought forward at the April 9th Committee of the Whole meeting.

D-3(a)  Highway 535 Update

The Municipal Clerk provided information from the MTO concerning the work to be carried out on Highway 539. The work is expected to commence in 2020 with the portions of the road most needing work to be a priority. Design work is underway. Council recommended that a letter be sent to MTO requesting that all of the work be carried out in 2020 if possible. Council asked that the letter to the MTO should request that the MTO provide a full plan of work to be carried out. Councillor Larabie suggested that evaluation of the road itself be carried out to ensure that the classification of the road be reflective of the traffic. It was also recommended that a delegation with the Minister be sought for the AMO conference in August.

D-4(a)  West Nipissing Chamber of Commerce – Request for Hall and Donation – 2019 Business Excellence Awards

Council considered a request from the Chamber of Commerce for a donation of a free hall and a donation in the amount of $5,000.00 for the Business Excellence Awards. There was a general consensus that the hall be donated; however council was not supportive of the $5,000 donation and agreed that the silver level sponsorship in the amount of $1,500. It was also requested that the Chamber be invited to make a delegation to Council to update Council on its activities and initiatives.

D-6(a)  Climate Change Emergency Declaration

The Chair of Environmental introduced the topic and turned matter over to Councillor Fisher whose initiative it is to bring this matter before Council. Councillor Fisher provided an overview of the effects of climate change and what the world needs to do as a coordinated effort in order to address the issue. As a starting point, Councillor Fisher requested that Council consider bringing a Declaration/Resolution to Council for ratification. Council supported Councillor Fisher’s initiative by bringing a Declaration for Council for approval and that Council consider this as a first step toward taking further initiatives. Councillor Seguin provided additional information indicating that Canada is one of only 3 countries which is moving backward rather than forward on the matter; to Councillor Roveda suggested that a
Delegation be sought with the MOECC at the upcoming AMO. The mayor suggested that perhaps looking at our recycling programs and processes could be a starting point over the next 12 months.

Councillor Lise Sénécal requested that discussion of the matter be postponed to a later date due to an alleged complaint to the Ombudsman’s office concerning the original bilingualism by-law. Council was in agreement to defer the discussion until further information is obtained.

D-7(b) Update on Grants

The Director of Corporate Services provided an update on recent grant and funding announcements which have recently been announced by the Federal and Provincial governments.

D-7(c) 2018 Budget Deliberations continued – Tax Impact and Tax Ratios

The Director of Corporate Services summarized the various scenarios as to the impact on the various tax classes. Council expressed some confusion with respect to what items have been included in this budget. Councillor Ducharme stated that he would not support any increase in excess of 3.00%. The Mayor expressed that Council may wish to shift its priorities based on the winter and its effect on roads. The Mayor also suggested that staff canvass council members for an available evening to focus on the budget alone.

C-1 West Nipissing Dream Catchers Theatre. (Presenter: Patricia Morin)

Mrs. Patricia Morin made a presentation to Council informing members of the West Nipissing Dream Catchers Theatre group; which offers local youth a theatrical and artistic outlet. She notes that West Nipissing has many opportunities for youth to get involved in sports but she further notes that there is a lack on the artistic side. Mrs. Morin highlighted various upcoming activities such as teen dance and plays; which are organized for the youth. Mrs. Morin has already communicated with various local businesses seeking support with various levels of sponsorship (i.e. logo advertisement). The organization is seeking support from the Municipality in the form of funding and/or site location to hold meetings and activities, a list of other necessities was also provided. All Councillors were supportive of this important initiative for the local youth. The Director of Community Services indicated that there are a variety of municipal venues/facilities that could be explored as potential options, if they meet the group’s needs to hold their meetings and store their equipment. The Municipality will communicate with the WN Dream Catchers Theatre to discussion feasible options.

A request from the Royal Canadian Legion was shared with Council wherein the organization is seeking free use and setup of the municipal event tent on June 15th, 2019 to host a fundraising event for the Neo Kids Foundation in Sudbury; and also on July 20th, 2019 to host a fundraising event to assist with their operational costs. Council inquired about the cost of providing the tent for such events; wherein the Director of Community Services informed Council that a 3rd party service provider is responsible for the setup, take down and storage of the tent, the cost is approx. $350 per occurrence. Following discussions, Council concurred with the request for both dates, citing that the Royal Canadian Legion is an organization that is always ready to assist the community and other organizations when called upon.

D-6(a) Notice – Ombudsman Investigation

Councillor L. Sénécal read aloud a notice from the Ombudsman of Ontario, dated April 3, 2019 for public record which in part states that « This is to notify you that the Ombudsman’s Office has received complaints alleging that on March 29, 2019, Council for the Municipality of West Nipissing held a meeting that did not comply with the open meeting rules in the Municipal Act. The Ombudsman’s Open Meetings Team will be investigating this complaint. » The Mayor shared that she did receive an inquiry from the media asking if the matter in question was related to a budget meeting and if proper notice was provided. The Mayor responded to the inquiry citing that the matter did not relate to a budget meeting but rather to an agenda item originally identified as closed meeting item the March 12th agenda; which was subsequently carried forward to the closed meeting of March 19th meeting and that the title had been changed to Municipal Act / Roles & Responsibilities.
E-6(b) Petition: Request for Dovercourt Street Closure at Hwy 64 intersection

Historical data and comments from the West Nipissing Fire Service were shared with Council pertaining to the request for the closure of Dovercourt Street at the Hwy 64 intersection. Councillor Duhaime shared with Council that following a recent Planning Committee meeting during which a new planned sub-division application located off of Dovercourt Street is being developed. Once approved by Council and construction of the new sub-division is initiated, it was noted that a three-way stop will most likely be required to assist with traffic control on the street. This will necessitate an amendment to the Traffic and Parking By-Law to have a new stop sign installed at the identified location.

Discussions ensued and the following comments/options were noted:

- temporary speed bumps be installed to decrease speed;
- use of larger speed islands to decrease speed;
- the option of identifying Dovercourt St. as a one-way street, accessible from Cache Bay St.;
- no entry signs at the Dovercourt / Hwy 64 intersection

It was recommended the Traffic & Parking By-Law be amended to include the installation of a three-way stop sign at Dovercourt & Niko Streets and brought back to Council at the April 23rd regular meeting. Council further requested that staff secure feedback from Public Works re: speed bump options (i.e. rubber speed bumps, graded/stopped paved speed bumps).

E-6(c) Council / Staff Relations Policy

The Council / Staff Relations Policy is being brought forward for Council's consideration. The Mayor indicated that she believed this by-law was being held back until after the appointment of an Integrity Commissioner for the Municipality pending their review/concurrence of the content. The CAO clarified that the Council Code of Conduct was to be discussed/reviewed with the Integrity Commissioner and that the Council / Staff Relations Policy is a mirror of the Council Code of Conduct Policy, Workplace Violence and Harassment Policy and the Procedural By-Law with the addition of the communication portion. Following discussions, it was agreed that the proposed Council / Staff Relations Policy will be brought back to the Apr-23rd regular meeting of Council for approval. It was further agreed that the approved policy will also be shared with the Integrity Commissioner.

E-6(d) Council Financial Report

Council received documentation prepared by the Director of Corporate Services/Treasurer outlining details regarding the disbursement sheets that were distributed to the previous Council which included rationale as to why such information may not be the best format to assist Council in their "role to maintain the financial integrity of the municipality". Discussions ensued during which clarification was sought on the original Notice of Motion submitted by Councillor Duhaime and why it has not been brought back for a vote. The CAO clarified that at the March 5th meeting the matter was referred back to a committee.

Councillor Duhaime requested that the information and proposed policy provided by the Director of Corporate Services/Treasurer be deferred to the Apr-23rd meeting, along with the original Notice of Motion so that a vote can be taken. It was moved by Councillor Duhaime and supported by a majority of Council that this item be deferred to the April 23rd meeting for discussion and a vote.

E-6(e) Draft Asset Management Policy

A draft Asset Management Policy was presented to Council by the Director of Corporate Services / Treasurer. The Director indicated that it is mandated by regulation to have a municipal Asset Management Policy in place by July 2019. She further indicated that there are various stages that within the next 2 yrs. we need to adopt asset management plan for core assets such as roads, water & wastewater, bridges and stormwater; with a goal that by 2023 an all-encompassing Asset Management Plan which will cover all municipal assets including roads, infrastructure, bridges, fleets, facilities which will all be linked back to service level that will be connected to budgets.

Some organizations such as MFOA, AMO have started to develop highly detailed Asset Management Plan templates that can assist in the process. This requirement is completely separate from the Community Safety & Well-Being Plan. This is a joint internal and external management team and consultants.

D-8) EMERGENCY MEASURES AND PUBLIC SAFETY / MESURES D'URGENCE ET SÉCURITÉ PUBLIQUE

D-8(a) Update – Lavigne Fire Station

A draft construction Cost Estimate Report, prepared by Perry & Perry Architects, for the Lavigne Fire Hall was shared with Council. The CAO confirmed that the shared documents indicated that the estimated costs to repair deficiencies are approx. $370,000 +/- 15% + HST. The construction of a new similar emergency service facility taking into account the newer, stricter building codes requiring that emergency facilities be built to a post-disaster standard would cost in the neighbourhood of $1.2 to $1.5 million.

Chief Maranda commented that based on the estimates provided in the Perry & Perry Report, and given his fire service facilities budget that partial remedial repairs could be undertaken in order to extend the life expectancy of the Lavigne Fire Hall.

A lengthy discussion ensued regarding the structural integrity of the Lavigne Fire Hall. It was indicated that the municipal Chief Building Official and Facilities Manager have performed onsite evaluations and that an Engineer was consulted with everyone confirming that the Lavigne Fire Hall is structurally sound, that the building can be occupied but noting that repairs are required. Certain Councillors are seeking further guarantees requesting that the Engineer perform a site visit to confirm and validate his original assessment of the integrity of the building.

Following a show of hands the request to have the structural Engineer return to perform a site visit was not supported. Staff will endeavour to bring back a report / additional information to Council pertaining to various options on how to proceed with the Fire Hall repairs:

1. Partial remedial repairs
2. Investing in long-term repairs to extend the life of the building

E-8(b) Community Safety & Well Being Plan – Webinars (Councillor Fisher)

Councillor Fisher wished to bring to everyone’s attention the upcoming webinars pertaining to Community Safety & Well-Being Plan initiative. Councillor Fisher implored Councillors to avail themselves of the information and participate in one of the available webinars.

It was requested that the letter from the Chair of the West Nipissing Police Board offering assistance and support for this initiative should be brought back to Council for discussion.

5. **Business Arising Out the Minutes**
   a) **OPP Update**  The Chair advised that Council had signed the agreement with the O.P.P. during their council meeting the previous evening. After speaking with Ministry Advisor Graham Wight, it would seem that the Government of Ontario is in the process of passing the new Police Services Act. Although unclear at this point, it would appear that the O.P.P. Board will comprise of one representative from each area, most likely a municipal councillor for West Nipissing. The proposed board would comprise of representatives up to Parry Sound area.

After being approached by a member of the public, the Board Chair questioning why Board Member Fisher was on the Board if he supported the O.P.P. Board Member Fisher replied that he was aware of issues on the Board and therefore wanted to be on the Board however had always stated his position was in favour of the O.P.P. With his permission, the Board Chair requested that any other inquiries he might receive from the public on this matter he could directly refer them to Board Member Fisher.
b) **Budget Process 2019:**
With municipal budget deliberations beginning on the weekend and the police department not being on the agenda, the Chief maintained the current budget with a slight increase. After review, discussion and lack of information being provided by the Municipality, the Board approved the 2019 budget.

**No. 2019/015 Moved by: Denis Sénécal Seconded by: Roch St-Louis**

c) **Board Training:**
In light of council’s decision and the likely disbandment of the Board, the Chair questioned if members where still interested in receiving the board training form the Ministry Advisor. Members expressed interest in still receiving the training therefore the Board Chair would communicate with the Ministry Advisor to make arrangements. The Board Chair also urged new members to contract the Chief and participate in a ride along to see exactly what the police officers are dealing with on a regular basis.

d) **Website:**
The Chief reported that the website is up-to-date.

e) **Community Safety Plan:**
As discussed last month, a letter was sent to the Mayor regarding the Board’s concerns when it comes to the Community Safety and Well Being Plan; no response has been received by the Municipality.

Board Member Auger Proulx had also requested clarification as to whether a Community Safety Plan had been initiated by the Municipality. The Chief was unaware of any such plan existing however the Chief was taking part in a Webinar February 21 that was being hosted by the Ministry of Community Safety and Correction Services that would cover topics related to well-being planning process. Board Member Fisher advised that council had received the same information and that he would also be taking part. Board Member Fisher also encouraged the other Board Members to sign up for the Webinar.

f) **Updated rolls for Sergeants:**
The Chief advised that Sergeant Brunet began his new position on February 1st and that all Sergeants would be rotating through the position.

Sergeant Brunet spoke of his new duties and thanked the board for allowing the Sergeants to so this.

6. **Outstanding Business**
a) **Ministry Inspection – Response:**
After receiving a report from the Ministry as it pertains to Major Case Management, back in November, the Chief and the Board Chair sent Ministry Advisor Graham Wight a joint response that the report was received and these items we’re addressed.

b) **Records Management:**
The Chief advised that they have been purging some files. The O.P.P. will hold certain files with the Municipality being responsible to hold other files for a certain amount of time. The Chief advised that the records will be itemized for the Municipality.

7. **Monthly Budget Report**
The Chief was unable to provide any details in relation to the month end statement for January 2019 as numbers were not provided to him by Ms. Craddock.

The Chief did advise that after receiving and reviewing the year end data provided by Ms. Craddock, the Board Budget was in a net surplus of $118,710.00 for year-end 2018.

8. **Policy to Govern the Proceedings of the WNPSB:**
The Board was provided with a revised policy on the governance of the proceedings of the West Nipissing Police Services Board. After review and with no other changes being needed, the Board adopted the amended policy.

WHEREAS Part II, Section 10. (2) 3. of the Municipal Act provides for single-tier municipalities to pass by-laws respecting financial management of the municipality and its local boards; and

WHEREAS Section 398 (2) of the Municipal Act, 2001, S.O. 2001 provides that: ‘The Treasurer of a local municipality may add fees and charges imposed by the municipality, to the tax roll for the following property in the local municipality and collect them in the same manner as municipal taxes’;

(1) In the case of fees and charges for the supply of public utility, the property to which the public utility was supplied;

AND WHEREAS Section 391 (3) of the Municipal Act provides that: The costs included in a fee or charge may include costs incurred by the municipality or local board related to administration, enforcement and the establishment, acquisition and replacement of capital assets;

AND WHEREAS the Council of the Corporation of the Municipality of West Nipissing deems it desirable and expedient to revise and amend its water and sewer rates for the year 2019;

NOW THEREFORE THE COUNCIL FOR THE CORPORATION OF THE MUNICIPALITY OF WEST NIPISSING ENACTS AS PER SCHEDULES ATTACHED HERETO AND FORMING PART OF THE BY-LAW:

(1) THAT all Single Family dwellings in the Municipality be charged the same flat fee for water and sanitary sewer services as follows:

</tr>
<tr>
<td>Both water and sanitary sewer</td>
<td>$1,369.10</td>
<td>$684.54</td>
<td>year</td>
</tr>
</tbody>
</table>

(3) THAT all Cache Bay residents not connected to sanitary sewer services, the annual fee shall be: $304.23

(4) THAT all Cache Bay residents not connected to sanitary sewer services, the annual rate for multiple-dwellings is as follows: $304.23 year for the first dwelling and $152.13 year for each addition dwelling

(5) THAT all Residential and Commercial pools be charged the following fee: $74.35 year

(6) THAT all Buildings within the Municipality of West Nipissing, other than Residential Buildings be charged for the use of municipal water and sewer based upon Schedule "A" of rates attached.

(7) THAT the following water rate be the one charged to all clients within the Municipality of West Nipissing who have water meters.
(a) All metered services  
Industrial, Commercial and Residential  
$6.9558 per 1,000 i.g.

(b) All Commercial Water Tankers  
$6.9558 per 1,000 i.g.

(8) THAT the Sanitary Sewer surcharge rate charged to all clients within the Municipality be the water rate multiplied by 1.25

(9) THAT non-payment of outstanding charges will be handled as follows:

9.1 In case of non-payment of assessed rates or charges by any owner or consumer when the same becomes due and payable, the Collector’s office will charge a monthly interest charge of 1.25% of the outstanding balance to the account on the (1st) day of each month.

9.2 When a consumer has neglected to pay the assessed rates or charges for ninety (90) days, the arrears balance, including any interest charges and administrative fee, shall be added to the tax roll and shall become due and payable, and shall be collected as if the same had originally been imposed and formed part of such tax levy.

9.3 Penalties and interest on the principle outstanding amount in default of the utility charges so added to the tax roll shall continue to be computed until the clearance of the tax roll balance.

9.4 An administration fee of $25.00 shall be added to the outstanding utility charge before the total outstanding balance is added to the tax roll.

(10) THAT By-law 2018/29 be hereby repealed.

(11) THAT this By-Law shall be retroactive to the first day of the Year 2019.

ENACTED AND PASSED THIS 23rd DAY OF APRIL, 2019 AS WITNESSED BY THE SEAL OF THE CORPORATION AND THE HANDS OF ITS PROPER OFFICERS.

- Per household unit: $267.00
- Each additional unit: $162.25
- Seasonal units: $162.25

OUTLYING AREA:

RESIDENTIAL:

A) Where landfill access and garbage pickup is provided:

- Per household unit: $231.25
- Each additional unit: $127.00
- Seasonal units: $127.00

B) Where landfill access only is provided:

- Per household unit: $127.00
- Each additional unit: $62.25
- Seasonal units: $62.25
- Island units: $62.25

COMMERCIAL AND INDUSTRIAL:

A) Group 1 consisting of Lodges, Trailer Parks, Restaurants, Grocery Stores and Confectionaries:

- $375.00

B) Group 2 consisting of Professional Office, Banks, Motels, Garages, Bell, and all others not captured in Group 1:

- Where landfill access and garbage pickup is provided: $231.25
- Where landfill access only is provided: $127.00

2) That any By-law in contradiction hereof is repealed.

ENACTED AND PASSED ON THIS 23rd DAY OF APRIL, 2019, AS WITNESSED BY THE SEAL OF THE CORPORATION AND THE HANDS OF ITS PROPER OFFICERS.

BE IT RESOLVED THAT by-law 2019/37, being a by-law to set the Solid Waste Management System Rates in the Municipality of West Nipissing for the year 2019, shall come into force and take effect on the date it is passed.
THE CORPORATION OF THE MUNICIPALITY OF WEST NIPISSING
LA CORPORATION DE LA MUNICIPALITÉ DE NIPISSING OUEST

BY-LAW 2019/38

BEING A BY-LAW OF THE MUNICIPALITY OF WEST NIPISSING
TO ADOPT A COUNCIL-STAFF RELATIONS POLICY

WHEREAS Subsection 270(1) of the Municipal Act, Chapter C.25, R.S.O. 2001, as amended, requires municipalities to adopt and maintain a policy with respect to relationship between members of council and the officers and employees of the municipality by March 1, 2019;

AND WHEREAS, the Council of the Corporation of the Municipality of West Nipissing deems it expedient to adopt the aforementioned policy;

NOW THEREFORE, THE COUNCIL OF THE CORPORATION OF THE MUNICIPALITY OF WEST NIPISSING
ENACTS AS FOLLOWS:

1. The “Council-Staff Relations Policy” is hereby adopted as set out in Schedule “A” attached hereto and forming part of this By-law.

2. This By-Law shall come into force and effect on the date of passing thereof.

ENACTED AND PASSED THIS 23rd DAY OF APRIL, 2019 AS WITNESSED BY THE SEAL OF THE CORPORATION AND THE HANDS OF ITS PROPER OFFICERS.

MAYOR

JANICE DUPUIS
DEPUTY CLERK
Schedule “A”
By-law No. 2019/38

COUNCIL-STAFF RELATIONS POLICY

POLICY STATEMENT:

The Corporation of the Municipality of West Nipissing (the “Corporation”) will promote a respectful, tolerant and harassment-free relationship and workplace between Members of Council and the officers and employees of the corporation, guided by the Code of Conduct for Members of Council, The Workplace Violence and Harassment Policy and the Procedural By-law.

PURPOSE:

This policy provides guidance on how the Corporation ensures a respectful, tolerant and harassment-free relationship and workplace between Members of Council and the officers and employees of the Corporation.

APPLICATION:

In accordance with Section 270 of the Municipal Act, 2001, this policy applies to all Members of Council and officers and employees of the Corporation.

COMMUNICATION

The Chief Administrative Officer (CAO) is the sole employee of Council. All communication with employees of the Corporation by members of Council shall be made through the CAO or his delegate.

POLICY REQUIREMENTS

The relationship between Members of Council and the officers and employees of the Corporation is guided by the following:

   The Code of Conduct for Members of Council establishes the ethical behaviour expected of Members of the Municipality of West Nipissing Council.

   Section 7 titled “Conduct Respecting Staff” states as follows:

   Only Council as a whole, where applicable, has the authority to approve budget, policy, Committee processes and other such matters. Accordingly, Members shall direct requests outside of Council or Committees approved budgets. Unless an emergency, all Staff responses will be provided during regular work hours.

   (a) Under the direction of the CAO or designate, staff serves the Council as a whole and the combined interests of all members as evidenced through the decisions of Council.

   (b) Members shall be respectful of the role of staff to advise based on political fairness, and objectivity, and without due influence from any individual member or group of the Council.

   (c) No Member shall maliciously or falsely harm the professional or ethical reputation or the prospects or practice of staff. All Members shall show respect for the professional capacities of the staff of the Municipality of West Nipissing.

   (d) No Member shall compel staff to engage in partisan political activities or be subjected to threats or discrimination for refusing such activities.
(e) Members shall not use or attempt to use their authority or influence for the purpose of intimidating, threatening, coercing, commanding or influencing any staff member with the intent of interfering with the person’s duties including the duty to disclose improper activity.

(f) No Member shall:
- maliciously or falsely injure the professional or ethical reputation by spreading malicious rumours;
- cause persistent, excessive nit-picking, unjustified criticism and constant scrutiny;
- exclude or ignore the target;
- refuse to acknowledge the target or his/her contributions;
- undermine the target’s efforts by setting impossible goals and deadlines; and
- impede or have influence on an employee’s effort in advancing, promotions or transfers.

2. Workplace Violence and Harassment Policy No. 2011/70, as amended

The Workplace Violence and Harassment Policy states as follows:

The Management of The Corporation of the Municipality of West Nipissing is committed to providing a work environment in which all individuals are treated with respect and dignity.

Workplace harassment will not be tolerated from any person in the workplace. Everyone in the workplace must be dedicated to preventing workplace harassment. Managers, supervisors, and workers are expected to uphold this policy, and will be held accountable by the employer. This policy applies to all workers of the Municipality of West Nipissing, supervisors, members of council, customers, clients, contractors, consultants, delivery persons, volunteers and domestic/ intimate partners.

- Workplace harassment means engaging in a course of vexatious comment or conduct against a worker in a workplace – a comment or conduct that is known or ought reasonably to be known to be unwelcome bullying
- teasing
- intimidating or offensive jokes or innuendos
- displaying or circulating offensive pictures or materials
- offensive or intimidating phone calls

Harassment may also relate to a form of discrimination as set out in the Ontario Human Rights Code, but it does not have to. Discrimination includes the unequal treatment of a person based on one of the protected grounds listed.

- Race
- Ancestry
- Place of Origin
- Color
- Ethnic Origin
- Citizenship
- Creed( Religion)
- Sex ( including pregnancy and gender identity)
- Sexual orientation
- Disability
- Age
- Marital and family status ( including same sex partner)

3. Procedure By-law No. 2018/28, as amended

The Procedure By-law establishes rules, procedure and conduct within Council and Committee meetings. Specifically, Subsections 5.1 state as follows:

5.1.2 Use profane or offensive words or insulting expressions against the Council or against any member, staff or guest;

5.1.5 Disturb another member, staff or guest by any disorderly conduct disconcerting the speaker or the assembly;
MONITORING/CONTRAVENTIONS

The CAO shall be responsible for receiving complaints and/or concerns related to this policy. Upon receipt of a complaint and/or concern, the CAO shall notify:

1. In the case of officers and employees of the Corporation, the Director responsible for the employee; or
2. In the case of Council, the Integrity Commissioner.

Where there is a discrepancy between the Council-Staff Relations Policy and the Code of Conduct for Members of Council, the language of the Code prevails.

LEGISLATIVE AND ADMINISTRATIVE AUTHORITIES

Section 270 of the Municipal Act, 2001, as revised by Bill 68 requires Council to adopt and maintain a policy with respect to the relationship between Members of Council and the officers and employees of the Corporation. The Council-Staff Relations Policy identifies the legislation, policies, procedures and practices that the Municipality complies with in order to promote a respectful relationship between Members of Council and the officers and employees of the Corporation.

ASSET MANAGEMENT POLICY (Policy 2019/___)

Section: A  |  Policy Number: 2019/___
Department: Corporate Services Department  |  Effective Date: April __, 2019
Subject: ASSET MANAGEMENT POLICY  |  Revision Date:

**STRATEGIC ASSET MANAGEMENT POLICY**

1.0 PURPOSE:

A strategic asset management policy formalizes the Municipality’s commitment to asset management, aligns its asset management actions with strategic goals and objectives, and provides direction to guide Council, management, and staff in carrying out its business strategies, plans and activities. This policy will support the Municipality in focusing its infrastructure efforts on managing risks, addressing priorities, and meeting short and long-term needs within the bounds of possible funding.

2.0 VISION:

The Municipality’s vision is to proactively manage its assets to best serve the Municipality’s objectives, including:

- Prioritizing the need for existing and future assets to effectively deliver services,
- Supporting sustainability and economic development, and
- Maintaining prudent financial planning and decision-making.

3.0 OBJECTIVES:

The objectives of this policy are to:

- Provide a consistent framework for implementing asset management throughout the organization.
- Provide transparency and accountability and to demonstrate to stakeholders the legitimacy of decision-making processes which combine strategic plans, budgets, service levels and risks.

4.0 STRATEGIC ALIGNMENT:

Our vision to maintain a safe community with sustainable growth requires alignment of the many initiatives underway in our organization at any given time in order for it to be achieved. This alignment is necessary to properly consider whether the level of service provided by our existing and planned assets is congruent and supports our vision.

All of the Municipality’s plans rely to some extent on the physical assets owned by the Municipality of West Nipissing and the commitment of staff to ensure their strategic use. This includes the long-term maintenance, repair, and replacement of existing assets along with the acquisition of new assets to meet the evolving needs of the Municipality.
Asset management planning therefore will not occur in isolation from other municipal goals, plans, and policies. Rather, an integrated approach will be followed to successfully develop practical asset management plans that align with the overarching accountabilities. Municipality of West Nipissing has developed and adopted an Official Plan, an Emergency Management Plan, a Multi-Year Accessibility Plan, Water financial plan, and an Asset Management Plan. These plans were designed to meet the legislative requirements and work together to achieve the Municipality’s mission of providing innovation and excellence in service delivery. Spending requirements defined in the budgeting process will reflect the objectives of these plans.

5.0 STAKEHOLDER ENGAGEMENT

The ultimate goal of the municipality is to efficiently provide its various stakeholders with the municipal services they need within the bounds of regulatory requirements, the built environment, and the natural environment. In order to achieve this goal, it is necessary that the municipality understand the needs of current stakeholders, consider the needs of future generations, and incorporate these perspectives into asset management plans. The municipality recognizes them as an integral part of the asset management approach. Accordingly, the municipality will:

➢ Provide opportunities for residents and other stakeholders served by the municipality to provide input in asset management planning; and
➢ Coordinate asset management planning with other infrastructure asset owning agencies such as municipal bodies and regulated utilities.

6.0 GUIDING PRINCIPLES

The Municipality of West Nipissing will strive to incorporate the following principles whenever possible in managing its infrastructure assets

➢ Service focused: The City will consider all the assets in a service context and take into account their interrelationships as opposed to optimizing individual assets in isolation.
➢ Risk-based: The City will manage the asset risk associated with attaining the agreed levels of service by focusing resources, expenditures, and priorities based upon risk assessments and the corresponding cost/benefit, recognizing that public safety is the priority.
➢ Value-based affordable: The City will choose practices, interventions and operations that aim at reducing the lifecycle cost of asset ownership, while satisfying agreed levels of service. Decisions are based on balancing service levels, risks, and costs.
➢ Forward looking: The Municipality shall take a long-term view while considering demographic and economic trends in the region.
➢ Budgeting and planning: The Municipality shall take into account any applicable budgets or fiscal plans, including those adopted through Ontario legislation
➢ Prioritizing: The Municipality shall clearly identify infrastructure priorities which will drive investment decisions.
➢ Transparency: The Municipality shall be evidence-based and transparent, basing decision on publicly shared information and make info available to the public
➢ Consistency: The Municipality shall ensure the continued provision of core public services
➢ Health and safety: The Municipality shall ensure that the health and safety of workers involved in the construction and maintenance of infrastructure assets is protected.
Innovation: The Municipality shall create opportunities to make use of innovative technologies, services, and practices

Integration: The Municipality shall where relevant and appropriate, be mindful and consider the principles and content of non-binding provincial or municipal plans and strategies established under an Act or otherwise, in planning and making decisions surrounding the infrastructure that supports them.

7.0 COMMUNITY PLANNING

The combination of lifecycle analysis and financial sustainability principles will be the driver in the design and selection of community development or redevelopment that requires new assets, or existing asset enhancements, to take place. Asset management planning will be aligned with the Municipality’s Official Plan and the 2014 Provincial Policy Statement of the Planning Act. The asset management plans will reflect how the community is projected to change with respect to development. Methods, assumptions, and data used in the selection of projected changes should be documented to support the recommendations in the Asset Management Plan. Cross-referencing the Municipality’s Official Plan and the Asset Management Plan will ensure that development occurs within the Municipality’s means through an understanding of current and future asset needs.

8.0 CLIMATE CHANGE

Climate change will be considered as part of Municipality’s risk management approach embedded in local asset management planning methods. This approach will balance the potential cost of vulnerabilities to climate change impacts and other risks with the cost of reducing these vulnerabilities. The balance will be struck in the levels of service delivered through operations, maintenance schedules, disaster response plans, contingency funding, and capital investments. The Municipality commits to the development of tailored actions that make the best use of its resources to mitigate and adapt to climate change. Bolstering resilience to climate change in Municipality also means modifying the scope of current operations, anticipating possible costs to support contingency funds, leveraging alternative funding mechanisms, integrating the disaster response perspective to planning, and revising levels of service. The Municipality will tailor these actions by striking a balance between its organizational capacity, financial and stakeholder support, and the local risks and vulnerabilities related to climate change. The asset management plan will encompass this sustainable approach to climate change mitigation and adaptation.

9.0 SCOPE AND CAPITALIZATION THRESHOLDS

This policy applies to all assets owned by the Municipality whose role in service delivery requires deliberate management by the Municipality. The Municipality will use a service-based (qualitative) perspective when applying this policy to municipal assets, rather than a monetary value (quantitative). The service-focus intent of this policy differentiates its requirements for identifying assets from the capitalization thresholds that are developed for the purposes of financial reporting. For this reason, the capitalization threshold developed for financial reporting will not be the guide in selecting the assets covered by the asset management planning process.
10.0 FINANCIAL PLANNING AND BUDGETING

The Municipality will integrate asset management planning into the annual capital budget, operating budget, and its long-term financial plan. The asset management plan will be used as a resource in order to:

- Identify all potential revenues and costs (including operating, maintenance, replacement and decommissioning) associated with forthcoming infrastructure asset decisions;
- Evaluate the validity and need of each significant new capital asset, including considering the impact on future operating costs; and incorporate new revenue tools and alternative funding strategies where possible.

The department level budget submission prepared by each Senior Manager will be reviewed and evaluated by the CAO and Treasurer in the preparation of the Municipality’s annual budget. Service area personnel will reference the asset management plan for their area in order to look up forecasted spending needs identified in the plan, verify progress made on the plan to identify potential gaps, and prioritize spending needs, across the gap identified in the plan and recent developments, for the year to be budgeted for. Finance staff will be involved in the asset management planning process to coordinate the information from the service personnel in the preparation of the budget submission.

For the purposes of managing water and wastewater assets, the water and wastewater financial plans will be used as a basis for establishing user fees, and master plans will be referenced in order to ensure alignment with the budgeting process.

11.0 GOVERNANCE AND CONTINUOUS IMPROVEMENT

The policy requires the commitment of key stakeholders within the Municipality’s organization to ensure the policy guides the development of a clear plan that can be implemented, reviewed and updated.

The Council is entrusted with the responsibility of overseeing, on behalf of citizens, a large range of services provided through a diverse portfolio of assets. The Council and senior management are committed to the success of asset management planning. The following details the responsibilities of the key stakeholders within the Municipality:

Council:

- Approve by resolution the asset management plan and its updates every five years;
- Conduct annual reviews of the management plan implementation progress on or before July 1st of every year
- Supporting ongoing efforts to improve and implement the asset management plan.

CAO:

- The executive lead is ultimately responsible for asset management planning across the municipality
- Maintain compliance with the asset management policy and provincial asset management regulations

Senior Management:

- Oversee asset management planning activities that fall within their service area and in support of others.
WHEREAS at the Committee of the Whole meeting held on April 9, 2019; Council of the Municipality of West Nipissing reviewed the Asset Management Policy;

BE IT THEREFORE RESOLVED THAT Council of the Municipality of West Nipissing adopts the Asset Management Policy, which shall come into force and take effect on the date it is passed.

BE IT FURTHER RESOLVED THAT the Asset Management Policy shall become part of the Municipality of West Nipissing’s Policy Manual.

Honourable Doug Ford

Dear Premier:

Re: Review of Ontario Municipal Partnership Funding (OMPF)

Please be advised that the Council of the Township of South Frontenac passed the following resolution at their meeting March 19, 2019:

“That Council of the Township of South Frontenac support the request to endorse the resolution passed by the Township of South Stormont at their February 20, 2019 Council meeting regarding the Provincial Government review of OMPF funding that provides annual funding allotments to municipal governments to help offset operating and capital costs and advise the Premier, Ministers of Finance, Municipal Affairs and Housing and our local MPP of our concerns. Carried"

We urge the provincial government to complete the review the Ontario Municipal Partnership Fund in a timely manner as reductions to the allocation of this funding will significantly impact future budgets and create further tax burden on our residents.

We look forward to receiving any updates on this matter.

Yours truly

Angela Maddocks
