Note:
This Schedule is not intended to be a legal survey of lot boundaries or features. References should be made to original documents.

NOTE:
The widths noted at the edge of any shoreline or watercourse and all routes along the shoreline of Lake Nipissing, below a minimum elevation of 197.25m are provisional on the basis of the existing operations on that land. The widths likely to be included in any future extensions to those areas, if otherwise indicated.

Plan is not applicable to the lakebed of Lake Nipissing.
