AWARDING OF TENDERS :

RE: (1) VERNER MUNICIPAL BUILDING AND
(2) STURGEON FALLS ARENA CHILLER PROJECTS

As Council is aware, we are proceeding with the demolition of a section of the Verner municipal building and we are completing upgrades to the Sturgeon Fall Arena chiller.

Attached are bid summary reports for both projects and recommendation is being made to award the tenders. Both projects are time sensitive and we are hoping to move forward in a timely manner once both tenders have been awarded by council.

My apologies to council for not originally including these items as part of the agenda for the March 5th meeting.
