Hi Janice,

I apologize for not returning your call today, things got hectic on set. I would like to confirm that we have notified all the residences that would be affected. I have attached the notification letter for your review.

As for seeking exemption for the noise by-law, we would like to be exempted for our filming time which commences on Oct. 3rd, 2019 at 7pm and will run straight through to Oct. 4th, 2019 at 7am. I greatly appreciate that this is being brought to the Council and I look forward to hearing your response.

Should you require any further information please do not hesitate to contact me. Thanks.

Kind regards,
Sara Goncalves

Good morning Sara,

Sorry for the delay in responding.

Your request to park vehicles along the shoulder of Desaulniers Road in West Nipissing was discussed with the Clerk and as you noted in your request below, the Municipality does not issue 'encroachment permits' for such matters. As share with you the parked vehicles must be stationed in a way as to not block access to private properties on the road. Your message below further indicates that you will be communicating with local property owners as to inform them of the scheduled disruption of road access, please confirm that this has already been done.

With respect to your request for a Noise Exemption, this matter will be brought to Council at their October 1st meeting (tomorrow night) for approval. In order to prepare the noise exemption resolution for consideration, please provide us with the exact times for which you are seeking an exemption (ie: 10:00 AM on Oct-3rd until 2:00 AM on Oct-4th).

Kindest regards,

Janice Dupuis

Subject: Filming at 2 Desaulniers Rd., West Nipissing

Hi Melanie and Janice,

Thank you for taking my calls. Please find this e-mail as an official request to the township of West Nipissing, from our production company, Girl Meets Fella Films regarding parking our unit and technical vehicles on Desaulniers Rd., West Nipissing, ON. I understand that an encroachment permit is not something the town usually grants for these requests. Please kindly advise if we can go ahead and park our unit on this road from Oct. 2nd until Oct.4th, 2019, with the stipulation of making sure all local residents have full access to their property.

Please note, we will provide a notification letter 5 days prior to our arrival to near by residents of our filming so that they are aware of the disruption to their regular routine.

Also, as we will be filming a lot of exterior night scenes, this will require us to work after 10pm. Would it be possible to request a noise by-law exemption from the town for Thursday Oct.3rd into early hours of Friday Oct. 4th, 2019. Could you kindly bring this request to your next council meeting on October 1st.

We can provide the Township of West Nipissing with an insurance policy for having our unit parked on that road. Please advise if you would like me to request a policy to be issued to you.

I have attached a scouting letter which provides you with some information regarding our production. Please feel free to contact me should you have any questions or concerns regarding this. Thanks.

Kind regards,

Sara Goncalves
