DATE: September 13, 2021

NEW NIPISSING WEST OPP DETACHMENT

(WEST NIPISSING, ON) - Construction of the new Nipissing West Detachment of the Ontario Provincial Police (OPP) is now completed at the new location, 880 Levac Road, Cache Bay, ON.

On September 14, 2021, the Nipissing West OPP location will be moving from 216 John Street in West Nipissing (Sturgeon Falls) to the new location at 880 Levac Road in Cache Bay, ON. During this transition there will be no interruption or reduction of policing services in the community.

Members of the public may attend the new location in person between the hours of 8:15am - 4:15pm Monday to Friday for administrative functions including criminal record checks.

Citizens can expect the same high level of policing by Nipissing West OPP members from this modern, new policing facility. The detachment has been outfitted with advanced technology and state-of-the-art policing equipment to ensure officers have the tools and space they require to provide residents with modern, cost-effective and high-quality police services.

Also, effective as of September 14, 2021, the Warren OPP location will no longer have administrative personnel available at that location. Administrative functions (including criminal record checks) will be completed out of the new location at 880 Levac Road in Cache Bay, ON.

Telephone numbers will remain the same. For emergencies, dial 9-1-1 and for non-emergent police matters dial 1-888-310-1122. Controlled access to the new Nipissing West Detachment will be in place in order to protect the public and detachment personnel during the COVID-19 pandemic.

Citizens can also use the OPP's online reporting tool to report less serious incidents at <https://opp.ca/index.php?id=132>.
