

ADDENDUM

MEETING OF COUNCIL FEBRUARY 1, 2022

➤ C) DELEGATIONS & PETITIONS / DÉLÉGATIONS et PÉTITIONS

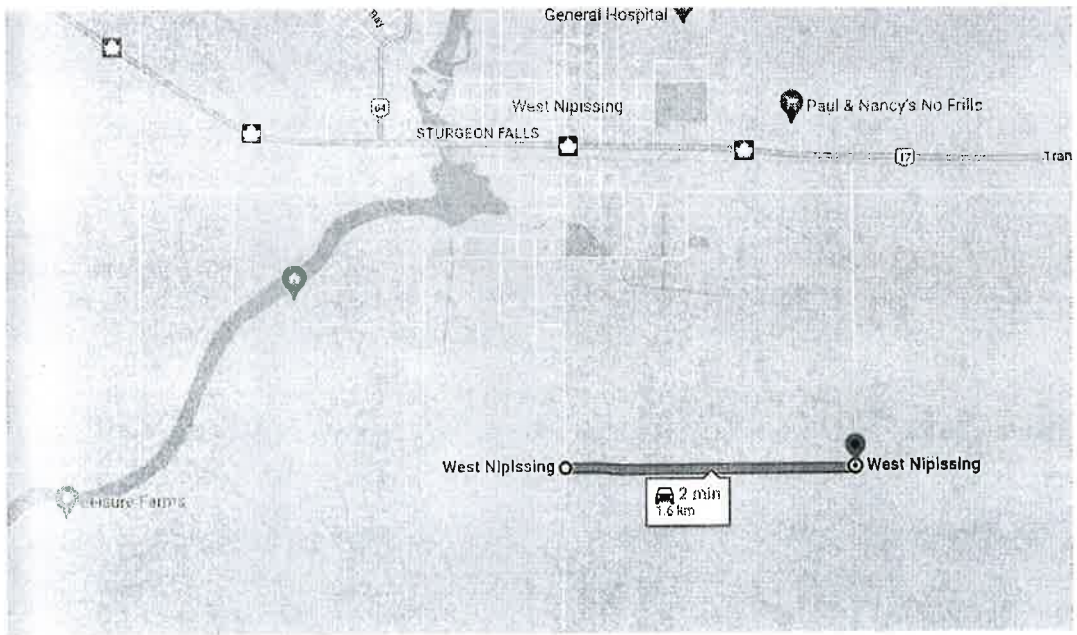

- C-2 Receive Petition – Request for installation of municipal water and sewer from residents of Quesnel Road

Dear Councilor Sénécal,

I am writing to you today regarding town water access at our place of business at 317 Quesnel Rd. Sturgeon Falls Ontario P2B 2V7 known as TCM Total Cabinet modules.

As you are aware, the town water is currently accessible on Nipissing St. as well as Quesnel Rd. heading towards Leisure Farms and on Dutrisac Rd. leaving us in the middle (1.6KM approx.) without town water access.

We are starting a petition in hopes to attain many signatures of other residents and businesses on this road and would like your assistance in approaching council to recommend adding town water access to our section of Quesnel rd. based on that petition.

My strongest reason for doing so is that our company is at the mercy of 1 sole insurance company willing to insure us, other companies will not even quote due to the fact of not having fire hydrants available within reach leaving us a risk of a greater loss should anything happen. Also, this is leaving our company with a hefty yearly bill, and we are waiting for the day where this one company refuses to insure us, joining in with the other companies, which at that point would result in TCM having to close our business, not a huge loss to our community but still represents approximately 15 jobs in West Nipissing.

I am hoping we can rely on your support with this petition and proposal to town council.

Your Truly,

Yves Laurin

Another concern is the amount of Dust during the Summer. It seems that every tandem & transport prefer this road avoiding traffic light with absolutely NO respects to our residents on this road. We can't even sit outside to enjoy the Summer Thank you
